Bellville Philatelic Society – Auction 2018-08-08

Welcome to our latest auction with something for everyone.

We've tried to describe the individual lots in detail to give you an indication of each lot's contents, but please read bullet #2 under N.B. below.

Lots will have a minimum bid starting price. If this minimum is not achieved, we reserve the right to withdraw the lot from auction altogether, even if a lower bid is received.

In the descriptions below, "Mint" will mean "*Mint (i.e. with hinge or hinge mark)"
MNH will mean "Mint Never Hinged" i.e. Mint with original gum.

IMPORTANT

Bidders need to register with our Hon. Secretary (Reanie de Villiers) before the auctions starts at 19:00 and will be issued with a numbered paddle. One cannot bid without a paddle.

N.B.

- Bidders must be aware that a 10% commission will be charged, to the benefit of our Society. So, if you bid R100 for a lot and your bid is the highest, you have to pay R110.
- I'm sure I'm stating the obvious, but.... Bidders must be aware that neither the Bellville Philatelic Society nor the Auctioneer can be held responsible for the contents of any of these lots. If you decide to bid on something, it is your responsibility to ensure you're happy with its contents. This even applies if the listed description of the lot happens to be incorrect or incomplete.
- Where the number of stamps in a collection is indicated, this must be taken as a rough estimate. The same applies to catalogue prices mentioned.
- Although we've tried to identify some of the stamps, there is no guarantee that we've done so correctly, so any catalogue numbers and/or values stated may be incorrect and should be treated as such.
- Viewers are advised to treat the contents of the albums and boxes with care as occasionally one finds loose stamps/items between the pages.
- If you are unable to attend this auction, you may submit a postal bid by completing the appropriate Postal Bid form, and emailing it to our Secretary, Reanie de Villiers, at philately@netpoint.co.za, who will arrange bidding on your behalf.
- Postal Bids will be advanced above the next highest bid or reserve price until the maximum postal bid amount is reached. In the event of identical bids being received, only the first such bid received by us will be accepted. **We will only accept postal bids with limits, no "at best" bids will be accepted.**
- **Only Postal Bids on the completed Postal Bid form will be accepted. No email "correspondence" postal bids.**

Payments

- Lots will only be released to successful bidders after payment has been received and, where applicable, cleared by the bank. If non-local bidders elect to have their lots shipped to them, the payment has to include the shipping costs – unless you make alternative arrangement with the auctioneer.
- Payments at the auction: in cash or by crossed cheque, to be made out to the Bellville Philatelic Society via our Treasurer, Mr Diederik Viljoen. Payments via EFT can also be arranged, please discuss with Mr Viljoen. **No cash deposits will be accepted.**
- Payments by SA non-local email bidders: only via EFT – contact philately@netpoint.co.za
- Payments by overseas bidders: only via Paypal – contact philately@netpoint.co.za

All auction correspondence must be addressed to: philately@netpoint.co.za
